Plan Description:

Title III of Division B of the Housing and Economic Recovery Act, 2008 (HERA) was signed by the President on July 30, 2008. Section 2301 - Emergency Assistance for the Redevelopment of Abandoned and Foreclosed Homes is referred to as the Neighborhood Stabilization Program (NSP). On September 26, 2008, the U.S. Department of Housing and Urban Development (HUD) announced that the County of Riverside would receive \$48,567,786 as part of the first round of the NSP. These targeted funds are being used to acquire foreclosed homes; demolish or rehabilitate abandoned properties; and to offer purchase price assistance to low-, moderate- and middle-income (LMMI) first-time homebuyers. As of October 21, 2008, there were more than 29,107 foreclosed properties (REO's) in the entire County of Riverside, nearly 3.8% of all housing units. The total number of REO properties within the County's program area was 18,004 (10,508 within the County's 14 participating cities and 7,486 within the unincorporated areas). The 18,004 units represent 4.1% of the total housing stock within Riverside County's program area.

Recovery Needs:

NSP funds will be used for the following primary activities, plus administration: (1) Acquisition, rehabilitation, and resale to first-time homebuyers - \$20,000,000; (2) Acquisition, rehabilitation, and rental to very low-income persons - \$1,855,000; (3) Neighborhood Stabilization Homeownership Program purchase price assistance - \$9,700,000; (4) Acquisition and rehabilitation of foreclosed, vacant multi-family properties, new construction of multi-family rental projects - \$12,157,000; (5) Redevelopment of vacant or demolished properties for non-residential uses including public facilities, commercial uses, or mixed residential and commercial uses. No specific amount of NSP funds have been allocated to this use at this time; and (6) NSP program administration: administration costs will not exceed 10% of the NSP grant and 10% of program income - \$4,855,786.

Overall Progress Narrative:

Riverside County launched its NSP program on March 17, 2009 with the issuance of a Notice of Funding Availability for the first, second and fourth primary activities ("NSP-1, 2 and 4"), as described in Riverside County's Substantial Amendment to the 2008-2009 One Year Action Plan of the 2004-2009 Consolidated Plan, and announced the implementation of the Neighborhood Stabilization Homeownership Program (NSHP), the third objective for purchase price assistance to low-, moderate- and middle-income (LMMI) first-time homebuyers. During the quarter of July 1, 2009 thru September 30, 2009 (the "July-September 2009 Quarter"), the County partnered with 6 additional developer applicants to carry out NSP-1, 2 and 4 activities, committing \$12,843,316 in NSP funds, as follows:

NSP-1 for Acquisition, Rehabilitation and Resale of foreclosed single-family properties to first-time homebuyers.

- Habitat for Humanity Inland Valley
- Habitat for Humanity Riverside

NSP-2 for Acquisition, Rehabilitation and Rental of foreclosed single-family properties.

- Rancho Housing Alliance
- Inspire Life Skills Training

NSP-4 for Acquisition and Rehabilitation of foreclosed and vacant multi-family properties, or the construction of new multi-family rental projects.

- BIASA, L.P.
- Bridge Housing

Under NSP-1, 2 and 4, as of September 30, 2009, a total of 7 NSP eligible properties were identified and acquired utilizing approximately \$960,000 in NSP funds. A total of 5 single-family homes for approximately \$640,000 and an average of \$128,000 to acquire each unit. A total of 2 multi-unit properties were acquired under NSP-4 for approximately \$327,600 and an average of \$163,800. By October 31, an additional 11 properties are anticipated to be closed, including a foreclosed 60-unit multi-family complex.

Under NSHP, as of September 30, 2009, the County expended a total of \$318,145 (this figure excludes one transaction in which funds were drawn down but the file subsequently withdrew and did not close escrow). Of that, 7 homebuyers were provided with a total of \$225,366 in purchase price assistance. The average NSP expended for purchase price assistance is \$32,195.14 per unit. Four of these seven homes underwent minor rehabilitation. The total rehabilitation assistance was \$92,779. The average NSP expended in addition to purchase price assistance for minor rehabilitation is \$23,195 per unit.

Activity Description:

The County of Riverside will offer a financing mechanism to eligible first-time homebuyers to directly acquire vacant or foreclosed single-family homes, condominiums or manufactured homes. The Enhanced First Time Home Buyer Program, renamed as the Neighborhood Stabilization Homeownership Program (NSHP), provides purchase price assistance to low-, moderate- and middle-income (LMMI) households that have not owned homes within the last three-year period. The program is available for households with an annual income that is no greater than 120% of the area median income as published by HUD.

Location Description:

This activity will be available throughout the County of Riverside; however, the County will target those areas with a risk factor of 7 or more as defined in the greatest need determination section above. The program will be limited to the County's 15 cooperating cities and the unincorporated areas of the County of Riverside.

Activity Progress Narrative:

Activity Description:

BIASA II, LP (BIASA), a California limited partnership, will utilize \$4,677,316 in NSP funds to acquire and rehabilitate a partially completed, foreclosed and bank-owned 60-unit townhouse complex within a designated Target Area in the city of Desert Hot Springs and rent to low- and very low-income households ("Project" or "Hacienda Hills"). The Project consists of all two-bedroom units. One two-bedroom unit will be set aside for an on-site manager. The Project site is approximately 4.43 acres with Assessor Parcel number 642-081-006 located along Hacienda Drive, between Verbena Drive and Tamar Drive, in the City of Desert Hot Springs. BIASA will reserve approximately 30 units for rent to very low-income households whose incomes do not exceed 50% of the area median income for the County, adjusted by family size at the time of occupancy. Approximately 29 units will be for rent to low-income households whose incomes do not exceed 60% of the area median income for the County, adjusted by family size at the time of occupancy. The period of affordability of the Project will be for fifty-five (55) years.

Location Description:

Designated target areas within the City of Desert Hot Springs, as defined in Riverside County's 2008-09 One Year Action Plan.

Activity Progress Narrative:

During the reporting period between July 1, 2009 and September 30, 2009, the County of Riverside completed its environmental review of the Project and submitted a request for release of funds from HUD. As of October 14, 2009, the Project received Authorization to Use Grant Funds from HUD and on October 19, 2009, escrow closed and the property was acquired.

Activity Description:

The County of Riverside will meet its requirement to set aside at least twenty-five percent (25%) of the NSP allocation to provide affordable housing to the population earning less than fifty percent (50%) area median income. The County will partner with various public and private development organizations to provide for the redevelopment or new construction of affordable multi-family rental projects. The County will use and operate this allocation of NSP funds in a form compatible with the use of HOME funds to the extent that NSP and HOME regulations do not contradict. All designated NSP units will be reserved and affordable to households earning less than 50% of the area median income. The County will require and monitor a regulatory agreement ensure an affordability period of at least fifty-five (55) years. NSP funds will be eligible for use in any aspect of development including land acquisition, soft development costs, and hard construction costs. Target Areas. This activity will be available throughout the County

of Riverside; however, we will target those areas with a risk factor of seven (7) or more as defined in the greatest need determination section above. The program will be limited to the County's fourteen (14) cooperating cities and the unincorporated areas of the County of Riverside. Blighted structures. Unoccupied residential properties, vacant for a period of 90 days that may be inhabitable and require rehabilitation to improve sustainability and attractiveness of housing and neighborhoods. Vacant or demolished will also be included in the definition of blight. Eligible Properties. Blighted multi-family residential that have been foreclosed upon, bank-owned or real estate owned (REO) and certified as vacant for a period of 90 days. Vacant or demolished properties will also be eligible to the extent that those properties or developed as affordable, multi-family, rental projects. Appraisals. The current market appraised value is the value of a foreclosed upon home or residential property that is established through an appraisal made in conformity with the appraisal requirements of the Uniform Relocation Act at 49 CFR 24.103 and completed within 60 days prior to an offer made for the property by a grantee, sub recipient, developer, or individual homebuyer. Discount. Properties must be purchased at a minimum average discount rate of 15% below the current market-appraised value. Displacement, relocation, and acquisition. The relocation requirements of Title II and the acquisition requirements of Title III of the Uniform Relocation Act (URA) and Real Property Acquisition Policies Act of 1970, and the implementing regulations at 24 CFR Part 42. All reasonable steps must be taken to minimize the displacement of persons as a result of activity assisted with NSP Funds. Environmental Review. The environmental effects of each activity carried out with NSP funds must be assessed in accordance with the provisions of the National Environmental Policy Act of 1969 (NEPA) and related authorities listed at 24 CFR Part 58. Projects may be required to comply with Laws and Authorities of §58.5: Historic Preservation, Floodplain & Wetlands, Coastal Zone, Aquifers, Endangered Species, Rivers, Air, Farmlands, HUD Environmental Standards and Environmental Justice. Rehabilitation Standards. Any NSP-assisted rehabilitation of a foreclosed-upon home or residential property shall be to the extent necessary to comply with applicable laws, codes, and other requirements relating to housing safety, quality, and habitability, in order to construct or redevelop properties. Construction or rehabilitation will strategically incorporate modern, green-building, and energy-efficiency improvements thereby providing increased sustainability and attractiveness of housing and neighborhoods. Labor Standards. Every contract for the rehabilitation of housing that includes 8 or more units assisted with NSP funds must contain a provision requiring the payment of not less than the wages prevailing in the locality, as predetermined by the Secretary of Labor pursuant to the Davis-Bacon Act. The Davis-Bacon Act requires that all contractors and subcontractors performing on federal contracts (and contractors or subcontractors performing on federally assisted contracts under the related Acts) in excess of \$2,000 pay their laborers and mechanics not less than the prevailing wage rates and fringe benefits, as determined by the Secretary of Labor, for corresponding classes of laborers and mechanics employed on similar projects in the area. Affordable Rents. The County of Riverside will adopt affordable rents as defined by the California Health and Safety Code Section 50053 (b) (2) as the minimal compliance with this standard. The maximum monthly allowances for utilities and services (excluding telephone) will not exceed utility allowance set by the Housing Authority of the County of Riverside. Income Restrictions. Very low income households whose incomes are at or below 50% of the area median income, adjusted by family size at the time of occupancy, for the County of Riverside. Terms of Affordability. The length of the affordability period shall be for minimum period of fifty-five (55) years.
